# TEN LITTLE FREE WORKERS AND POWER RATES

*Editorial WJN*

"Reddy Reader", the monthly issue of Calgary Power Ltd., which is distributed free to the customers of Calgary Power Ltd., has, since January 1963, invaded politics. The reason for this drastic change in Reddy Reader is the proposed nationalization of investor owned utilities by the Liberal platform of Alberta, in November, 1962. In her Jan./Feb. issue, the Reddy Reader published a poem which is worth republishing because it will give our readers an idea of how Calgary Power is on her political warpath.

Ten little free workers in this country fine and fair.  
But if you cherish your freedom - workers have a care!  
Ten little free workers - Reddy was doing fine  
Until the socialists got him - then there were nine.

Nine little free workers laughed at Reddy's fate  
Along came state medicine - then there were eight.

Eight little free workers thought this country heaven  
But the government took over the railroads, then there were seven.

Seven little free workers - 'till the miners got in a fix.  
Government said coal's essential and took over leaving six.

Six little free workers 'till the day did arrive  
The steel mills too were socialized - then there were five.

Five little free workers - but the farmers are free no more  
The farms have been collectivized - that leaves only four.

Four little free workers till the government did decree  
All must have free legal advice - then there were three.

Three little free workers - the number is getting few,  
But with government groceries selling food - then there were two.

Two little free workers - our story's almost done,  
With clerks at work in government stores - that leaves only one.

One little free worker - the reporter son-of-a-gun  
Mustn't criticize government - so now there are none.

Ten little workers - but they are no longer free  
They work when and where ordered, and at a fixed rate you see,  
And it all could have been prevented if they's only seen fit to agree  
And work together instead of saying "it never can happen to me!"

Calgary Power feels sorry for "the ten little free workers who are no longer free" under government service, because "the Socialists got them". We also felt sorry for those poor workers and therefore we spoke to several government worker employees of the City of Edmonton (municipal government) owned power plant. Our question was "Do you feel yourself no longer free? And do you feel that you are working under a socialistic management?" All of them laughed when they heard our questions. They felt themselves to be as free as the little workers who are employees of Calgary Power. As a matter of fact, they prefer to work for the City of Edmonton as their power bills in the City are much lower than the ones from Calgary Power, which is very important for "little workers". Domestic rates under the socialistic management of the City of Edmonton Power Distributors (we only repeat an expression created by Calgary Power themselves) are much lower than the domestic rates of the privately owned Calgary Power. In fact, this means that the publicly owned power plant brings in this case, more blessings to the "little workers" than the privately owned (with happy workers) Calgary Power.

## Council Meeting, April 1

The minutes of the previous meeting were read and approved.

Remuneration Bylaw Councillor DeBruin moved that the Remuneration Bylaw #1/54 be rescinded and Remuneration Bylaw #4/63 be submitted for plebescite.

Meeting with Engineer The Secretary-Treasurer suggested, and Councillor Montpetit moved, that a committee of two, Councillors Stewart and DeBruin, be appointed to meet with Mr. Braden, Town Engineer and discuss a number of items. The meeting was set for Thursday, April 4th.

R.C.M.P. Rental Agreement Councillor Stewart moved that the R.C.M.P. Rental Contract be signed with the owner of that building, with privileges of subletting at Council's additional renovation costs.

Grosvenor Blvd. School Site Petition Mr. M. Penrose, acting on behalf of a number of Grandin Park residents, appeared before Council to present a petition protesting the proposed school to be located in that area. Mayor Veness requested that the petitions "ride awhile" and present all arguments to the Provincial Planning Advisory Board in whose hands the matter now rests. That land on Grosvenor Blvd. is listed in the Land Titles Office as Public Reserve, which includes Parks or Institutions for Public use. Councillor Stewart moved that Secretary-Treasurer be instructed to contact all known interested parties and advise them of the date on which the Provincial Planning Advisory Board will be meeting, and that the petition be forwarded to the Edmonton Planning Commission.

Easter Monday Holiday Councillor Stewart moved that the labour force of Town Hall be permitted to work and that the Town Foreman be instructed to exercise normal supervision and receive a day off at a later date in lieu thereof.

Due to the elections and Easter, the next two meetings will be held on the 9th and 16th of April.

There will be a public hearing on the Staging of Development this Thursday, April 4th, at 8 p.m.

**CITIZENS  
OF ST. ALBERT & DISTRICT  
VOTE G.S.P.**

Plant, who felt so sorry for those little free workers. Calgary Power is in politics, but the editor responsible for the nonsense of the Jan/Feb. issue should produce better arguments before he enters the social field of the little free workers. We, as Canadians, are not much interested in getting a socialistic state, with government owned farms, groceries, stores, steel mills, etc. The Liberal party in Alberta is not a "socialistic party"! The mayor and councillors of the City of Edmonton are not "socialists"! All of them are as much interested in free enterprise as Calgary Power. Nationalization of power, gas, coal, railways, etc is not a privilege of socialistic countries, but is also quite normal in many countries who are not socialistic at all and whose principles are even anti-socialistic! Socialism has nothing to do with nationalization of power. It is only a part of their programme as it is also a part of many programmes of non-socialists. If a government (municipal, provincial or federal) can present lower power rates to their citizens, then it is only logic that such a government should do this job. But if a privately owned power can offer lower rates to the people, it is also logic that this should be done. It is only a matter of serving the little worker with rates which are as low as possible, and this has nothing to do with "little free workers" or little non-free workers. In both cases they are little!

What are the Calgary Power domestic rates? For the first 20 kilowatts \$2.40 and 1½¢ for each kilowatt over. What are the rates for the municipal government owned City of Edmonton Power Distributor? For the first 40 kilowatts \$1.60, up to 110 kilowatts 2¢, and after this, 1½¢. This means that the first 40 kilowatts from Calgary Power cost \$2.70 and from the City of Edmonton, only \$1.60. For instance, if you have used 1161 kilowatts from Calgary Power, you will pay a net amount of \$21.62. For the same 1161 kilowatts, you pay to the municipal government owned City of Edmonton Power Distributors, operating with "no longer free workers" \$18.97 - a difference of \$2.65, which counts tremendously for the "little workers, who are all under domestic rates. The net profit of this Provincial government owned distributor of the City of Edmonton, was with these lower rates in 1962, \$2,569,858. from which \$878,130. was paid as taxes to the City of Edmonton, again a great benefit for the "little workers" living in the City of Edmonton.

Is it so strange that a Liberal leader, Dave Hunter, was interested in public owned power? Is it not the sincere duty of political leaders to be concerned that the little workers will get the lowest rates for their daily power use? If Calgary Power could offer the same rates as the municipal owned power plant in Edmonton, not many people in Alberta would care who owned it. But unfortunately Calgary Power is far above the power rates of the City of Edmonton and therefore Calgary Power didn't have the right to insinuate that government owned plants are not to benefit the people, and that the employees working for such a plant are no longer free. The people of Alberta are educated enough to see the difference between the truth and the Calgary Power fairy tales.

Anyway, Calgary Power has had much help from a political party, who is also interested in the "poor little workers". Premier Manning announced early in March of this year, that he is opposed to the public power ideas. He made a comparison between the Saskatchewan Government Power Corporation and Calgary Power, and proved that Saskatchewan had much higher rates than Calgary Power. A comparison between the Saskatchewan Government Power Corp. and Calgary Power is, from a technical point of view, completely impossible. Saskatchewan has no economical hydro electric sites available, and the entire output is obtained from steam and diesel generating plants, which are considerably more expensive to operate. Calgary Power, however, has a considerable proportion of her output in inexpensive hydro electric power. But Premier Manning didn't need to go so far for his comparison. Only one mile from the Legislative Buildings is the office of the Municipal Government owned, City of Edmonton Power Distributor. If he had made this comparison with Calgary Power, his findings would be reversed in favour of a government owned power plant. And if Mr. Manning likes to make his comparisons in other provinces, why didn't he cite that the Municipal Government owned power of the City of Winnipeg (hydro system) sells power at an average much lower than Calgary Power, and that they have put a great amount of their profits into the City of Winnipeg for over 50 years?

Comparison is important if it is not done only for the sake of supporting your own case. Who is supporting the little free workers? It doesn't matter if it is a public, or government owned power system. The main thing is that the little free workers are only interested in the lowest rates. And in addition, it is the sincere duty of each government to support each power system that assures those lower rates, not only for "little workers"!

## AGREEMENT BETWEEN CALGARY POWER AND TOWN OF ST. ALBERT

By Gordon Parkes  
Former Secy. Manager of the Town of St. Albert

Several years ago, shortly after St. Albert had been granted New Town status by the Provincial Government, and large scale development could be anticipated, the franchise agreement between the Town and Calgary Power for the supply of light and power to the Town expired. The administration of the Town had instigated a full enquiry into all aspects of the supply of electric power to the Town with a view to ascertaining as to whether it would be in the interests of the Town to acquire the assets of Calgary Power in the form of the distribution system and to take over the responsibility of providing light and power to the Town.

The survey which was carried out showed that providing the Town could purchase power in bulk from the City of Edmonton, and preliminary discussions with City officials did not discourage this approach, it would be economical for the Town to own and operate the distribution system. By maintaining the rates as set by Calgary Power, a substantial operating profit could be anticipated.

The signing of a new franchise agreement was delayed for some considerable length of time whilst the administration attempted to negotiate with Calgary Power directly and later through the Board of Public Utilities, the price and terms of the Town taking over the distribution system.

Eventually, due to the fact that the Town's administration was unable to get a commitment from the Provincial Government that funds would be made available to the Town to acquire the assets of Calgary Power, and for the extensions to the system that would be required to serve new subdivisions, and because Calgary Power were unwilling to construct extensions to the distribution system to service new subdivisions until a new franchise agreement was signed, the Town's administration had little or no alternative but to sign an agreement, whereby Calgary Power would be granted the exclusive franchise for the supply of electric light and power to the Town for a period of ten years.

It was argued at the time that the economics of a light and power distribution system must be considered on a regional basis and that the attitude of St. Albert tended to be one of local selfishness, that whilst St. Albert may be able to show that it would be able to own and operate, and may be able to either reduce rates or to make a profit, that this could only be done at the expense of the smaller rural municipalities.

### OVERHEAD WIRING

The attack on ugly overhead wiring must be intensified by all parties who are concerned with a skyline that is being disfigured by unsightly poles and a mess of wires. New subdivisions that are planned with great care to take every advantage of the natural beauty of the land and designed to create a pleasing view to the most discerning eye have to suffer the indignity of overhead wiring that destroys most of the aesthetic value of the subdivisions.

made St. Albert their home for the past year. Mrs. Shepherd is a member of the vocal class of Miss Catherine Wendol, outstanding Edmonton vocal teacher. She has been soloist with the Christian Science Church, and has a class of piano students both in St. Albert and Edmonton. Mr. Hermanns began his musical studies as a boy in Holland where he played in various bands and chamber orchestras. In 1955 he turned professional when he joined the Canadian Army as a French horn player in the band of the P.P.C.L.I. Upon arriving in Edmonton in 1959, he became a member of the Edmonton Symphony Orchestra. He and his family moved to St. Albert in August, 1962. On Sunday, Mr. Hermanns will perform Mozart's Third Horn Concerto. The transcribed orchestral arrangement for piano will be supplied by Mrs. Lillian Upright, who will also accompany Mrs. Shepherd.

A warm invitation is extended to all music lovers in the community to come and enjoy what promises to be a most interesting program.

The supporters of underground wire can list many advantages:

- A skyline free from disfiguring poles and wires, thus increasing property values.
- Lower long-term maintenance.
- Bigger electrical loads can be carried.
- No power failures caused by winter ice tearing down cables.

Prices for going underground vary from \$500. to \$200. per lot.

There can be no doubt that the time has come when the municipalities - power companies - urban developers - builders and the Federal Government through C.M.E.C. must collaborate to improve the appearance of our towns in addition to the normal function of providing an efficient service.

## ST. ALBERT United Church CALENDAR

- April 7 9:45 a.m. Palm Sunday. Combine service with Baptist and Pentecostal Churches.  
8 p.m. Evening service.
- April 12 11 a.m. Good Friday Service.
- April 14 9:45 a.m. Easter Sunday Service.
- April 21 9:30 a.m. Anniversary Service. Please note change in time to the Summer Hour of Service.
- April 28 9:30 a.m. Dedication to Mission Sunday Service.

Everyone is invited to attend these services.

### PALM SUNDAY- THREE PROTESTANT CHURCHES HAVE COMBINED SERVICE

For the second year in a row, the Baptist, Pentecostal and United Church congregations of St. Albert will gather in the United Church Sanctuary for their

Palm Sunday service. Time of Service will be 9:45 a.m. on April 7. Rev. H. Onishenko, Rev. J. Joly and Rev. Dr. E.R. Schwarz will conduct the service. The choir will present Stainer's "God So Loved the World". Mrs. P. Upright will play the organ. Everyone is invited to join in this witness of Christian Brotherhood.

### EVENING SERVICE - PALM SUNDAY 8 P.M.

Mrs. E. G. Hole will be the Organist and Mr. H. Cuts will be the guest instrumentalist. The service will include hymn singing by the congregation and, as at each evening service, the congregation will indicate their choice of hymn favourites. Mr. Roy Gilley will lead the congregation in the singing. As has been the custom since these "First Sunday of Each Month" evening services were started in November of last year, the minister chooses a problem or area of life that confronts the Christian in his day to day life. The choices have been made, keeping in mind the suggestions made by the Hi-C group which often attends these services in a group. To date the topics have been: The Christian and Prejudice, The Christian and

Authority, The Christian and Vocation, The Christian and Marriage, and the Christian and Alcohol. A Coffee and Fellowship Hour follows the service. Come and bring a friend.

### MUSIC FOR THE EASTER SEASON

Palm Sunday, April 7 During this combined service, the choir will present Stainer's "God So Loved the World", an excerpt from his cantata, "The Crucifixion".

Good Friday, April 12 The service will be held at 11 a.m. and the Choir's anthems will include the Passion Chorale, "Behold the Lamb of God" from Handel's Messiah, and "Praise to Thee, Lord Jesus" by the early German master, Heinrich Schutz.

Easter Sunday, April 14 The service will be at 9:45 a.m. and the music will include the familiar "All in the April Evening" by Robertson, and the final chorus from Handel's Messiah, "Worthy is the Lamb", culminating in the mighty "Amen" chorus, considered by many to be the finest piece of choral writing in this masterpiece.

Those who look forward to a presentation of the "Hallelujah Chorus" at Easter will not be disappointed as the Choir will present the "Chorus" at the congregations Anniversary Service which will be held on Sunday, April 21 at 9:30 a.m.

## HI-C

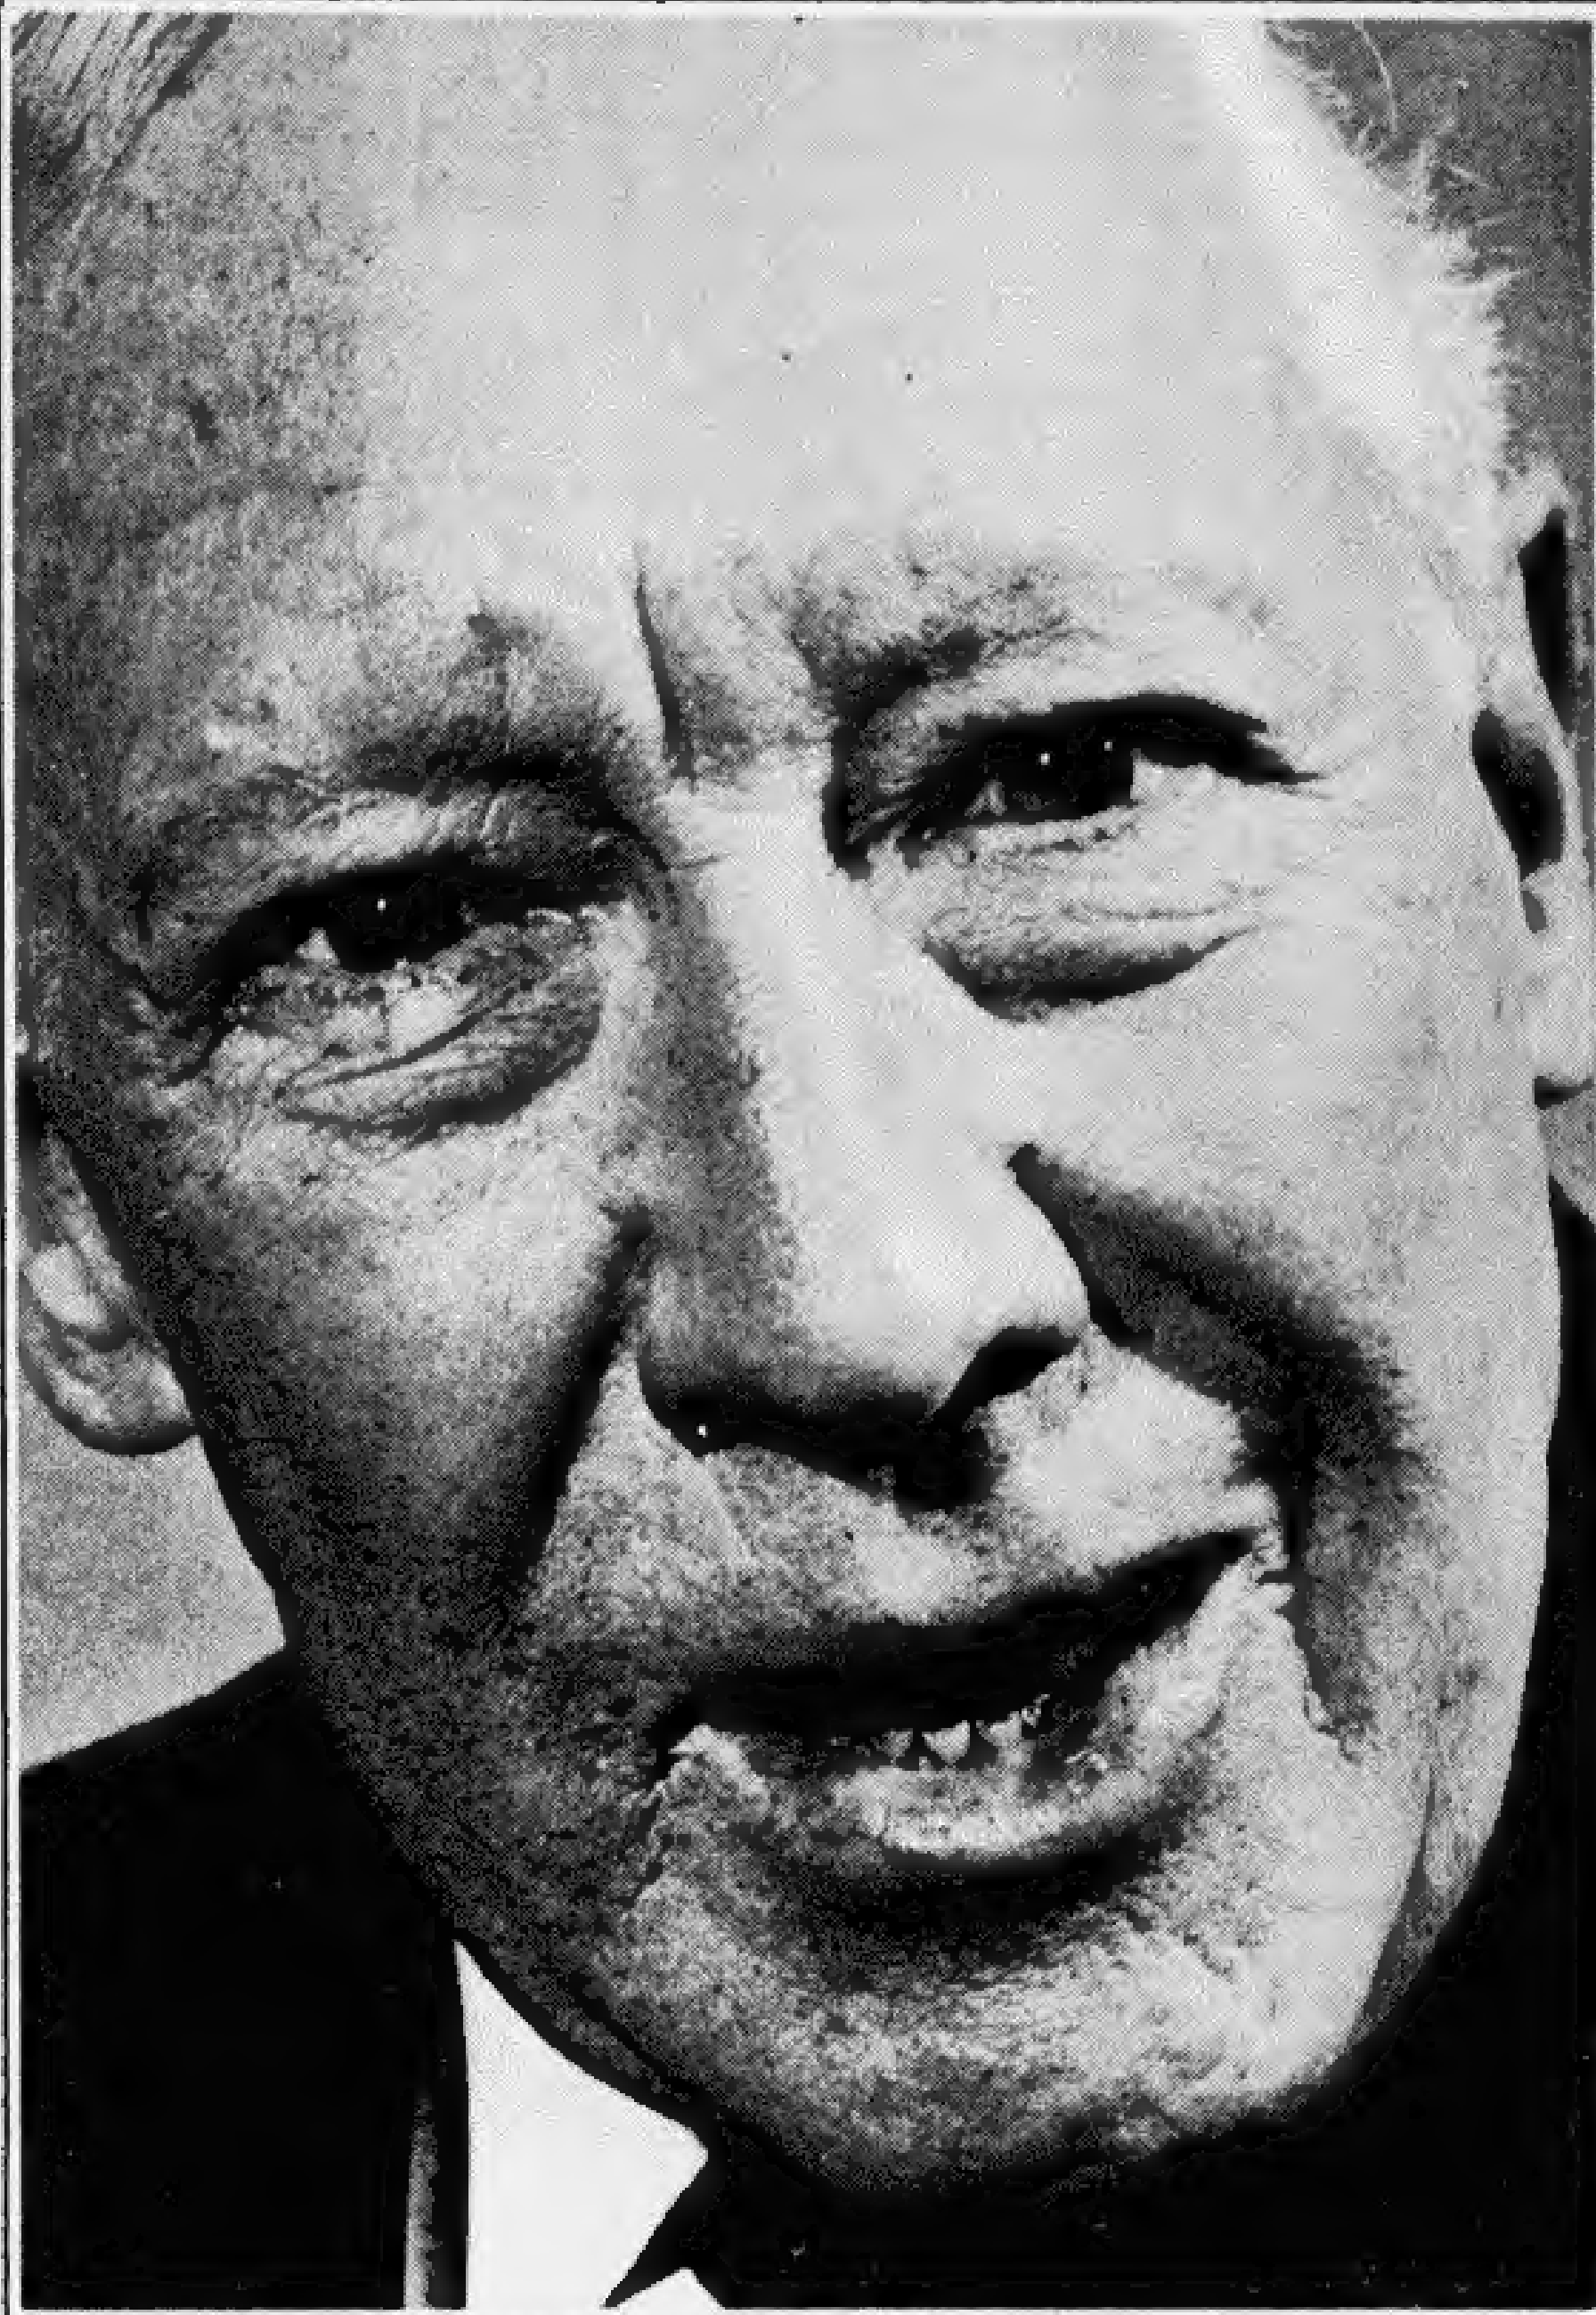

The Hi-C members and counsellors wish to thank those who attended their tree, shrub and plant sale and social hour on Saturday, March 30. Those who attended were well pleased with the variety of landscape materials offered. Because of the political tea in Grandin Shopper's Park and the nature of the weather that seemed to point back to winter rather than ahead to spring, the crowd was smaller than anticipated but comments made since have led the group to feel confident that another Saturday presentation of the same would be responded to more strongly. Therefore, the Hi-C will present another display and will have their guest nursery plant expert in attendance on Saturday, April 20, between the hours of 2-5 p.m. in the lower hall of the United Church in St. Albert. Come and bring a friend, the coffee, tea, and cookies and the nursery services are free.

## MEMORIAL SERVICE

Sunday March 24 saw the beginning of a new arrangement for the presentation of Memorials in St. Albert United Church. Persons desiring to express sympathy by means other than flowers are able to do so through two means. One is a "Living Memorial Through Missionary and Maintenance". A person is able to send a note to the Memorial Chairman, Box 605, St.

## The Party Line

As the election campaigns gather momentum, St. Albert has recently been the scene of several "Meet the Candidate" tea and coffee parties. Ladies and politicians alike agree it's a most pleasant way of getting acquainted with each other. Interesting to note, the ladies outnumber the men 51 to 49 as eligible voters. So, we have a loud voice in this and any election. This is one instance wherein silence is not golden. It is not only a privilege but an obligation of the highest order to exercise our right! Many of us are tied down with small children but this is no excuse for failing to vote. Ask a friend to mind them or even pay a baby sitter. As many former Europeans will testify, it's a small price to pay for the rights we enjoy in a democratic society. To coin a well-worn phrase, "Vote as you please, but please vote!"

Electioneering is stepping up to a fast and furious pace. On every pole a candidate's happy smiling face. They smile at meetings, at rallies and debates. Some won't smile as heartily after April eighth!

## Club Notes

The St. Albert Ladies Curling Club finished off the season with a 2 event bonspiel March 23rd. The Mocombo Cup was won by Nona Nicholson, Elia Wilson played third, Margaret McLean, second and Marie Dickson, lead. The runner-up was Harriet Wellman, Donna Miller, third, Lorraine Jewitt, second and Clara Mateau lead. The winner of the square draw in the afternoon league was Kay Belley, Eileen Rude, third, Doris Harvey, second Frances Beach, lead. The evening league winner was Doreen Franko, Kay Belley, third, Doris Harvey, second, Louise Fehr lead. The Ladies Guild of St. Matthew's Anglican Mission served a smorgasbord for the day. And so, after an enjoyable season, the ladies bid farewell to the rocks until next year.

The Ladies Auxiliary to the Second St. Albert Cubs and Scouts will hold their monthly meeting in the library of the Sir George Simpson School on Tuesday, April 9th, at 8:30 sharp. The leaders of each cub and scout group will be present to give progress reports to mothers attending. All mother are urged to avail themselves of the opportunity to meet the leaders and learn how their cub or scout is doing.

Following the success of its first catering effort outside the church, the

Ladies' Guild of St. Matthew's Anglican Mission has been asked to cater to the Alberta Pioneer Bridge Tournament, sponsored by the St. Albert Bridge Club, to be held May 4 in the Community Hall. The Guild catered to about 50 members of the St. Albert Ladies' Curling Club March 23. The Rev. Mr. Dawkins, newly appointed priest-in-charge of St. Matthew's, attended the March meeting of the Guild and delivered the devotional. Two guests, Mrs. Grant Moffatt and Mrs. John Proctor, were present.

Communion linens for the altar are being purchased by the Guild and members are also making additional kneelers for the increased congregation.

Although the April bake sale has been cancelled due to the bridge tournament catering, women of the congregation are urged to start articles for the autumn bazaar as soon as possible. This bazaar will be attended by many Edmonton Anglicans and it is important that every member of St. Matthew's co-operate in order to make it worthy of city-wide support. The next meeting of the Guild will be held at the home of Mrs. R.T. Coneybeer, 31 Spruce Crescent, at 8 p.m., April 23.

The United Church Women General Meeting will be held next Monday, April 8, at 8:15 p.m. in the church. For the Devotional, Mrs. Phyllis Kittlitz will sing "The Holy City", accompanied on the organ by Mrs. Lillian Upright. The programme will feature slides of Jerusalem taken by Mr. Doug Ingle.

All women of the St. Albert United Church are invited to attend this meeting.

## COFFEE PARTY - CONSERVATIVE

The St. Albert Progressive Conservative Ladies held two teas at the Town and Country Restaurant in support of the hon. Marie Lembert, Minister of Veterans Affairs, Past Speaker of the House of Commons and Member of Parliament for Edmonton West.

The first one was held on Friday, March 1, with Mr. W. W. Frazer as speaker and Mrs. Bonnarve and Mrs. Scott Rogers

pouring tea.

Mrs. Wm. Flynn and Mrs. Albert Henry convened the second tea on Tuesday March 19 with Mrs. Lee, Mrs. Bonneville, Mrs. Macdonald and Mrs. Michelot pouring tea. A very enthusiastic question and answer period demonstrated that the large number welcomed the opportunity to meet a federal cabinet minister and be able to ask him first hand, those questions uppermost in their minds.

## COFFEE PARTY - LIBERAL

A group of St. Albert citizens attended a coffee party held at the Town and Country Restaurant last Saturday, to meet the Liberal candidate for Edmonton West, Mr.

Arthur Crowe. Mrs. Don Perry and Mr. Veness introduced Mr. Crowe to the guests. Mr. Torpy, Mr. Beledreau and Mr. Corriber poured tea, while Ken Perry and Bernard Veness served.

## LOOK & GUESS

There was a close with last week's look and guess but the answer to the latter is 1947. ### STURGEON HEIGHTS RECREATION COMMITTEE

On Thursday, March 28, a meeting was held in Vital Grandin School to organize a Recreation Committee for Sturgeon Heights, with Mr. Bob Ford in the chair. Mr. Ford represented Sturgeon Heights on the Town Recreational Committee recently and was asked to be Chairman of the Sturgeon Heights Committee but he expressed the desire to be only acting Chairman until such time that an election for a permanent committee takes place.

Mr. Ford then explained it had been decided by the Town Recreation Board to divide St. Albert into four districts, namely Grandin Park, Sturgeon Heights, Mission Park and Braeside, each of which would form their own committee to organize the type of facilities required by the residents of their area.

A committee of five was elected from those present, to form a Steering Committee. This committee is comprised of Mr. Deluca, Chairman, Mr. Ingle, Mrs. Barry, Mr. Bouchard and Mrs. Blacklaw, Secretary.

The Steering Committee members were asked to contact the people who showed interest in the recent Recreation survey, as the Chairman stated there must be many in Sturgeon Heights well qualified to assist.

It was agreed to call another meeting in

the near future, at which a permanent Recreation Committee for Sturgeon Heights would be elected.

Mrs. Riley suggested that Tot Lots should be one of the first projects. This was unanimously agreed, after which the meeting was adjourned.

Anyone living in Sturgeon Heights who would like more information, please call one of the Committee members: Mr. Ford 599-6517, Mr. Deluca 599-7052, Mr. Ingle 599-7583, Mrs. Barry 599-6579, Mrs. Blacklaw 599-6922.

### GRANDIN PARK RECREATION COMMITTEE

A public meeting for Recreational purposes will be held at 8 p.m. in the library of the Sir George Simpson School on Tuesday, April 9th.

A public meeting with the representative from the Recreation Board was held Thursday, March 20th. Goal of the evening was to form a committee representing a broad field of recreationally interested people. It was decided that since so few were there, the people present would constitute the committee and a regular meeting held for the public every second Tuesday in the month to bring forward proposals and announcements.

Number one question remained the nomination of the representative and how she was chosen. The representative is

open to all proposals and wishes of the Grandin Park district, her decisions should be guided by the best interest for all concerned in St. Albert.

A motion, made by Mr. Dale and seconded by Mrs. Dolman, was passed, that the Tot Lots in Grandin Park that are levelled and seeded, be now equipped. Fences and age limits were also a topic of discussion.

### MISSION PARK RECREATION COMMITTEE

On March 21st, the Mission Park Neighbourhood Recreation Committee held a meeting at the High School. The elected a Steering Committee consisting of: Mrs. H. Vague, Mr. Steve Kalita, Leon Tellier, Dan McRae, Cliff Gallant, Bernard Bourgeois. They decided to wait for more direction from the Recreation Board to see what funds and facilities are available to them, before making plans.

**NOTE:** All those living West of the Highway and North of McKenny Ave. are included in the Mission Park district as far as the Recreation Board is concerned.

### BRAESIDE RECREATION COMMITTEE

The Braeside Neighbourhood Recreation Committee held a meeting on Thursday, March 28, in the Community Hall Basement. Further meetings will be held, time and dates to be announced.

**FORMER ST. ALBERT GIRL WINS UNIVERSITY AWARD**

Lynne Lynne Sumner of Regina and formerly of St. Albert has been awarded the "Spirit of Youth" trophy at the annual color night banquet of the Students' Representative Council, University of Saskatchewan, Saskatoon.

The "Spirit of Youth" trophy is awarded annually by the exact & Athletic Board to a graduating or graduate student who during her university career has shown outstanding qualities of leadership, good sportsmanship, idealism and academic ability, strong character, athletic ability and general physical fitness.

Miss Sumner is in the fifth year of the degree course in the School of Nursing at the University of Saskatchewan, and she will graduate this May with the degree of Bachelor of Science in Nursing. She is the daughter of Mr. & Mrs. Bert Sumner.

Last August, Miss Sumner was awarded the gold medal and prize for general proficiency at the sixth annual graduation of the School of Nursing. It is the highest award given to a nursing graduate. During her university career she has participated in intramural basketball,

volleyball, badminton, curling and swimming. She has been a member of the Junior Huskies basketball team and the intervarsity volleyball team. She has sung in the Nursing Society Glee Club, and is holder of an "Associate of Royal Conservatory of Music in Toronto" (ARTC) degree in piano.

Lynne Sumner took her schooling here in St. Albert from Grade 1 to Grade 10 where she was a popular and outstanding student. When in grade 10, she was winner of the Alberta Hotel Association scholarship to study music at the Banff School of Fine Arts. She then moved to Regina, Sask.

**A MAJOR FACTOR IN CANADA'S  
ECONOMY — AGRICULTURE**

*Canadian Farm Income Tops \$3 Billion — 1962*

For the first time since Confederation, the federal government has conceived an Agricultural Policy for the benefit of all Canada. In 1962, farm cash income was \$3 Billion — at all time high. Conservative legislation revitalized the agricultural industry. For the first time in a generation the grain bins are empty and farmers are asked to produce more grain for the export and domestic market.

This sound agricultural programme implemented by the Progressive Conservative Government is a vital contribution to the growth and development of Canada.

Canadians want this excellent management  
of government to continue.

## **SOCIAL JUSTICE**

Social Justice is being provided to all Canadians — the aged, the blind, the disabled, the unemployed, the veterans, the farmers, the small business man, the provinces and the municipalities. The Conservative Government provided Canadians with the Bill of Rights — guaranteeing human rights and fundamental freedoms . . . gave Canadian Indians the right to vote . . . provided assistance for the construction of 750,000 new homes for Canadians in the last five years . . . improved the Immigration laws of Canada . . . transformed the penal system to an up-to-date correctional program . . . increased veterans' and old age pensions.

Canadians want this excellent management  
of government to continue.
